OUR VISION

Dedication Today for Tomorrow

*“For the enhancement, protection and
promotion of a viable,
multi-species fishery within the Thames
River watershed.”*

BRAND STORY

In the spring of 1986 the TRAA was formed by anglers concerned with the state of the fishery in the Thames River watershed, particularly the dwindling smallmouth bass population in the North Thames River.

This unique and authentic history has been the catalyst to the creation of the TRAA brand identity: “Hands-on Environmentalism”.

The key elements and value that the brand represents are community, eco-friendly and heritage.

TRAA

BRAND

BRAND COLOURS

The general colours feel of the brand is earthy shade of green and yellow. These colour represent TRAA as a leading organization in protect and maintain the Thames river's natural environment.

The logo colours only act as part of the logo only and should not be used in design elements such as text or fields of colour.

The highlight colour are background colours and pop colours used in our website and other printing products.
